## BUTANE-PROPANE NEWS

Propane industry publications since 1939

# ANNUAL INDEX

### ACQUISITIONS

Empire Acquires Circle L Propane	Jan. 11
Empire Gas and Partner Acquire Synergy Group, Inc.	July 16
Ferrellgas Partners Acquires Star Gas' Georgia Operations	Jan. 24
Gas Equipment Supply Atlanta Purchases Finger Lakes	Sept. 14
Heritage Acquires Carolane Propane Gas	Jan. 11
LPG Services Group to Merge with NGC Liquids Marketing Inc.	Nov. 12
Pacer Propane Formed: Looks to Acquire Propane Facilities	April 14
Propane Continental Acquires Two More Firms	March 20
Propane Continental Purchases Bison	Dec. 13
Star Gas' Parent Co. to Raise Proceeds to Refinance Acquisition	April 21

### APPLIANCES

1995-96 Heating Products Season Brings Many New Ideas to Market	Aug. 25
Despite Weather, Distributors Say Economy Heating Up Sales	March 38
First Fast Food Empire Might Have Been "McGlaughlin's"	Feb. 32
Grills One of Top 10 Markets for LPG	Feb. 21
Heating Products 1995-96	Aug. 32
Holland Co. Patents Grill Smoke Filter	Feb. 22
Lazy Man Pioneered Barbecue Industry in 1930s	Feb. 32
Lazy Man's Grills Prepare Tons of Food for Illinois Picnickers	Feb. 33
Market Outlook for Barbecues Is Strong in 1995, Manufacturers Say	Feb. 23
New Barbecues, Related Products Offer Convenience, Safety	Feb. 29
New Fireplace Group Focuses on Hearth Products	March 41
Selling Heaters Internationally: Growth Opportunities	Aug. 27
Tennessee Allows Unvented Heaters in Bedrooms, Bathrooms	Feb. 14
Warm Winter Hits Markets; Heating Products Sales Strong	March 36
Water Heater Shipments Grew in December and for the Year	May 30

### BEYOND THE MAINS

A Sampling of Outrages	March 3
At Long Last, Washington?	Aug. 3
Can the Deficit Be Eliminated?	April 3
Clean Cities: A Good Start	Nov. 3
Electric Co-Ops Move Into Propane	Oct. 3
Hello Again	Jan. 3
High Costs Make Many REAs Seek New Revenue Sources	Dec. 3
History Revisited, Not Revised	July 3
In the Grip of the Iron Triangle	May 3
Scattershot	June 3
The Best of Times(?)	Feb. 3
We'll Always Have to Fight	Sept. 3

### CARBURETION

A Brand New Nozzle from Australia, the Land of Self-Serve Propane	Jan. 21
A Few Common Questions	Sept. 49
After 3000 Miles on LPG, Consumer Wants More	March 42
Best Motor Fuel Alternate Is Propane	April 27
Changed Image, Incentives Needed to Expand Alternative Fuel Use	Sept. 38
Chrysler Canada Unveils First Propane Ram Van	Sept. 33
"CleanFleet" Proves Propane Vans Can Go the Distance	July 23
CleanFleets Report Shows LPG Most Economical Alternative Fuel	Nov. 28
Conoco Manager Believes Image the Key to Selling More Fuel	Sept. 23
CXA Secures EPA Certification	Dec. 13
Detroit Diesel Asks Shannon Vinyard to Aid Heavy-Duty Engine	Sept. 30
DOE, Chrysler Canada, NPGA, PGAC to Hold Competition	Nov. 8
Don Bass Speaks Out on Carburetion, What's in Store for Installers	Sept. 39
EIA Survey Assesses the Market for Alternative-Fuel Vehicles	March 20
ExproFuels to Convert City of Plano Vehicles to LPG	Jan. 6
Fill 'Er Up with Propane?	Jan. 25
Ford May Offer Propane Pickup in 1996	April 30
Forklift Study Finds Engine Adjustment, Maintenance Critical	Nov. 11
Great Alternative Fuel Debuts in Australian Car Race	April 26
Growth in World Motor Vehicle Market Means Opportunity for LPG	April 30
GSA Won't Buy Propane Vehicles Without Factory Warranties	April 33
International Autogas Market: Thriving or Can Industry Do Better?	Sept. 27

Is Propane Missing the Boat for 1996 Olympics AFV Project?	Jan. 6
Is Propane Refueling More Risky Than NG Refueling?	June 15
Kansas Offers Fleets Incentives to Switch to Alternative Fuels	Oct. 10
Keeping Up with Technology	Dec. 34
LPG Emissions and Fueling Are Issues in New York Project	April 35
LPG Vehicle Challenge an Opportunity for Propane to Gain Attention	Oct. 28
Milwaukee Fuels Conference to Be Held at End of June	April 20
Motor Fuel Propane: A Phillips Staple Since 1927	July 22
Myths and Memos	Oct. 34
New Jersey Hospital Has Cure for CAA: Propane	Jan. 26
New Station in West Texas Lets Customers Select Fuel of Choice	Jan. 20
New Study Shows LPG Forklift Emissions Comparable to CNG	Jan. 27
One Texas School District Saved Over \$2 Million with LPG	April 28
Orange County to Add 24 LPG-Powered Buses to Its Fleet	March 16
Phillips Communicates a Clean Air Message with Bears and Propane	July 21
Preventing CO Emissions	Nov. 38
Price, Service, Dependability Are Factors in Purchasing Vehicles	April 33
Private Fleets Driving the Switch to LPG Carburetion, EIA Suggests	April 31
Propane Is Crucial to the Unsung Heroes of California Highways	Sept. 36
Propane Vehicle Council in Many Projects with Manufacturers	Feb. 31
PVC Director Endorses "Field of Dreams" Strategy for OEMs	April 39
Researcher Says Propane's Message Is Not Getting Out	June 28
Some Fleet Managers Who Tried CNG Say LPG Has Advantages	Sept. 34
Space Center Trams Are Like LPG Industry: Quiet and Dependable	Sept. 25
Study Reveals Commercial Fleet Plans	Dec. 12
Suburban's Controller Is a Popular Way to Cut Forklift CO Emissions	May 27
Technology, Not Behavior, Is Most Effective in Lowering Emissions	Sept. 25
Texaco VP Urges Legislators to Reconsider AFV Mandates	March 24
Texas State Agencies Lag Behind Mandates	April 29
U.S. LPG Supply Can Support 10MM AFVs	Jan. 21
Western Association Publishes Its Own Refilling Directory	March 18
Why One Individual Chose Propane Over Other AFVs	March 43
Windsor Workshop Describes Benefits in Developing AFV Technology	Sept. 31
Wisconsin Grant Adds 99 AFVs to Clean Air Campaign	Jan. 8

### COMMENTARY

Consider the Fleet Director	Feb. 40
Ford's Propane-Powered F-700 Deserves Support from Industry	Sept. 26

### ENERGY SPECTRUM/OTHER FUELS

AGA Says Over 200,000 Homes Switched to Natural Gas	Oct. 12
Fuel Availability, Range Are Problems for GSA's AFVs	April 34
Methanol Declared Dead in California Despite Promotion by CEC	July 29
Power Glut, Competition, Force Bonneville Power to Cut Prices	Oct. 17
Propane Could Fuel Aircraft De-Icing System Under Development	June 18
Propane's Average Price, Efficiency Are Superior to Electric Heating	Aug. 40
REA's Offspring Switch from Electrifying Farms to Urban Sprawl	Nov. 23
Texas Passes Bill Allowing Diesel and RFG As Alternative Fuels	June 15
Utilities Not Allowed to Charge Ratepayers for AFV Funding	Aug. 16

### INDUSTRY PEOPLE

Behind This Successful Association Was a Woman: Sara Murphy	April 40
Dispenser Maker Builds In Safety, Reliability, Looks: Curtis Donaldson	June 24
H. Emerson Thomas, "Board Member Emeritus"	April 25
Heritage Is Preserved by Ancient Gassers' Historian: Fred Thomas	July 28
Managing Director of PGAC Looks Back: Bill Kurtze	Aug. 41
Marketer Takes on NFPA on Copper Pipe Issue: Jim Peterson	June 23

### INTERNATIONAL

Amoco Canada Moving into Western Michigan with Terminal	Oct. 21
Biggest Problem Marketers in Kobe Face Is Road Damage	March 62
MAPCO, Amoco, and Navajo to Build Pipeline to Mexico	Oct. 12
Marketing Argentinean Style: U.S. Influences Bulk Marketing	Oct. 25
Mexico Enters New Era as Government Sets Change Rolling	Aug. 29
New Zealand Firm Offers Automated Bottle Filling System	Feb. 24
Opportunity: In Any Language, LPG Marketers Still Understand	Feb. 34
PGAC Foresees Regulatory Changes This Year in Canada	Aug. 14
What Does Mexico Air Quality Report Mean to U.S. LPG Industry?	Oct. 22
What's the International LPG Industry Talking About?	Jan. 22

### LEGAL AND INSURANCE

A Look Back at 1994	Jan. 12
Accident Investigation	Dec. 16
Below-Grade Installations	Nov. 16
Carbon Monoxide Lawsuits	Aug. 43
Distributors Win Verdicts	May 41
Evidence Spoliation in Propane Litigation	April 42
Gas Detectors: The Lock Verdict	July 32
Gas Grill Design Suit Nears Final Settlement	Sept. 20
Gas Grill Settlements: An Update	Oct. 33
Kentucky Act Regulates Certification of Insurance	April 18
Placing Safety First, Ranger Helps Marketers Avoid Major Losses	May 21
The Prospects for Legal Reform in 1995	March 26
The Sad Tale of an Agency Agreement	June 33
\$3.8 Million Verdict in Illinois Industrial Fire	Oct. 32
Tort Reform—A Word of Caution	Feb. 36
Tort Reform Begins on Federal Level, Continues in the States	April 41
Tort Reform Could Move Ahead in GOP Congress	March 18
Tort Reform Moves Ahead in the States	Aug. 13
With COFRs Lined Up, No Import Problems Foreseen	Feb. 16

## MANAGEMENT

AmeriGas Propane Makes Organizational Changes	Nov. 11
One Reason Supplier Sees No Reason to Accept the Status Quo	Oct. 24

## MARKETING

Emphasis on Service Brings Marketers Awards and Customers	July 30
Illinois Marketers Use Direct Mailer to Target Contractors	Aug. 24
Jingles, Mailers, Stuffers, Ads—A Winning Campaign Can Be Had	Aug. 21
Propane "Isn't Just for Cowboys Anymore," Rodeo Star Says	Nov. 22
Rural Population Growth Could Mean Propane Heating Boom	March 52
Texas Rebate Program Nearly One Year Old	Sept. 16
To Market Heating Products, Consider Needs of Heating Customer	Aug. 39
"Up Against the Wal-Mart's" Author Says Marketers Can Up Earnings	June 26
Vertical Tanks Are Effective Way to Market Propane, Say Retailers	Jan. 19
When Retailing Direct to Consumers Isn't Enough	Aug. 38

## MISCELLANEOUS

Can Computer-Based Training Fill Needs of Average Marketer?	May 32
Commercial Buyers Controlling Propane Prices	Dec. 35
Contest Showcases Propane House Designers for Efficient Plans	March 39
Energy Futures Finding Followers	April 36
Futures Market: A Primer to the NYMEX	March 51
Lost in a Snowstorm? Don't Ask—Just Turn on Autonav System	Jan. 18
Marketers of Premium Grills Forecast Sales Growth	Feb. 21
Observing Propane Price Volatility	May 40
Propane Futures Price Seem Moving Higher	Sept. 47
Sam Dick Industries Finds Demand for Standby Gas Plants	Jan. 15
Technical Signals Move Propane Futures Market	Nov. 14

## NEWS
